### Convention needs you

Lions International is run by its members and clubs. In order for your District team to be provided with future direction there needs to be an Annual General Meeting, with input and voting from member clubs at your Convention. The business sessions fulfil governance and compliance requirements. Believe it or not, these sessions are usually entertaining and interesting as you learn strange and unexpected things during the course of the process.

### Fellowship & Fun

The District Convention is a wonderful way to meet and socialise with other Lions, build friendships and club alliances and witness some inspirational presentations and find out things happening in the District which may surprise you.

### Sponsorship and Advertising

The Convention Committee is seeking help from members for any type of sponsorship to help with costs of running the event. Advertising space is also available for hire within the Convention Booklet at various rates – many opportunities for businesses. Please let us know if you can help? Enquiries to: [Convention2024@lions201v5.org.au](mailto:Convention2024@lions201v5.org.au)
